

VILLA FITO

CHÂTEAU DE
BERNE
—
EN PROVENCE

History of the villa

The name Fito is a tribute to the villa's historic owners.

The house has been completely revamped, and today perfectly illustrates the alliance of authenticity and modernity. The charm and traditions of the South have been preserved, thanks in particular to the materials used, the French-style ceilings and the spacious rooms. But there's also a subtle touch of modern comfort in the equipment and infrastructure.

Just as in the past, the sumptuous kitchen is the entrance to this Demeure and the place for conviviality and get-togethers. A great family residence that will appeal to both lovers of the old and those with a passion for design.
